

TexasVoices
FOR REASON AND JUSTICE

Our Mission

Texas Voices for Reason and Justice is a statewide, non-profit volunteer organization which is devoted to promoting a more balanced, effective, and rational criminal justice system. TVRJ advocates for common sense, research-based laws and policies through education, legislation, litigation, and support for persons required to register for sex-related offenses as well as for members of their families.

We Believe

- ★ No sexual abuse is ever acceptable.
- ★ Sex offense laws and policies should be based on sound research and common sense, not panic or paranoia.
- ★ Current laws and policies that paint all sex offenses with one broad brush are counter-productive, wasteful, and cause needless harm.
- ★ Each offense must be judged on its own merits with a punishment that fits the crime and does not waste taxpayer dollars.
- ★ The public sex offense registry and housing banishment laws do not protect children but instead, ostracize & dehumanize entire families.
- ★ Money spent on purely punitive measures would be better used for prevention, healing, and rehabilitation.

We would love to have a real conversation with you about how we can work together to protect the rights and dignity of all of our citizens while making our communities safer. Won't you take a moment to visit our website or give us a call to learn more?
